

Great Tyne Row - compilation of all timed results 2012-2022 - in overall time order

Note 1 This is provisional with all entries being checked as at 1 Sept 22; yearly awards column to be added shortly; fastest over the 11 years in main categories highlighted in green.

Note 2 Times from 2011 were not kept, the 2014 event was disrupted by commercial shipping, so no full course times, and 2018, 2020 and 2021 did not run.

Note 3 Tides, winds and water conditions were different each year, so comparisons between years are to an extent misleading.
